## ABOUT OUR CENTER

### INFO

Wolf Pup Learning Center opened in October 2019. We have 4 classrooms to service the preschool aged children in our community. Wolf Pup Learning Center Fox Hills opened in August 2024.

### MISSION

Wolf Pup Daycare was established to provide the highest quality child care to the children of Watford City and the surrounding communities. Our mission is to provide a comforting, stimulating, educational, supportive, and healthy place for the children and families we service, and the employees we support.

### PHILOSOPHY

We believe that all children should be in an environment that is safe, nurturing, age-appropriate, and full of endless opportunities. We also believe that all children learn by social, emotional, physical, and intellectual activities through both independent and group play. Each day upon arrival, an approved parent/guardian is required to check in their child via the Procure Parent Engagement App. All children and parents/guardians must drop their child at the entrance to the child's classroom.

Children can only be checked in or out by authorized personnel. All personnel authorized to check in or check out your child must be listed in your file and identification will be checked by the child's teacher. If someone not listed in your file will be checking out your child for the day, you must notify Wolf Pup Learning Centers in writing of this allowance. If a person incapable of providing adequate supervision attempts to pick up a child, the staff is required to notify the Director and law enforcement officials will be contacted.

Check out must occur no later than 11:30 am for children receiving morning preschool-like services and no later than 3:00 pm for children receiving afternoon preschool-like services. A fee will be assessed for late pick up as follows:

- 0 - 15 minutes late = \$15 (1<sup>st</sup> offense), \$25 (2<sup>nd</sup> offense), \$75 (3<sup>rd</sup> time and up offense)

### COURT ORDER

If there is a court order (such as a divorce settlement or restraining order) that limits the rights of one of the child's biological parents, family members, and/or guardians, you must provide us a copy of that court order in order for us to attempt to adhere to its rulings.

### ATTENDANCE

Your child's attendance is very important. Consistency is necessary if children are to feel totally comfortable in the classroom and if they are to get the most out of their experience.

### MONTHLY SCHEDULE

In the middle of each month, you will be provided a blank calendar. We ask that you fill in the dates your child will attend as best as possible. We understand that plans do change and ask that you notify your child's teacher as soon as you know of any alterations to your schedule. This will ensure that we have

adequate staff available to care for the children who will be attending preschool-like services at Wolf Pup Learning Center. We will do our best to accommodate your schedule change, but it is not a guarantee.

## POLICIES AND PROCEDURES

### AUTHORIZATION TO PICK UP CHILD

Children will only be released to persons the parents/guardians have listed on the appropriate documents. If an adult is authorized to pick up the child but does not have a fingerprint on file and/or the Procure Parent Engagement App, identification will be checked before picking up the child. If an adult is not listed in your file, you must notify Wolf Pup Learning Centers in writing of this allowance.

If a person who is allowed to pick up the child is impaired due to alcohol/drug use, we will call the emergency contact to get the child instead. If the emergency contact is not able to pick up the child, NDDHHS will be called.

We ask that all parents refrain from discussing concerns and complaints with other families, especially with the use of other children's names. While you are at our facility, you may also hear information about children or see a family interaction. **We ask that you respect the privacy of other families, and we will expect them to respect your privacy.** Please do not share pictures of your child's schoolmates online without permission from their parents.

### FIELD TRIPS

Wolf Pup Learning Centers staff may take your children to various activities around the community, including the library, area parks, and other community activities. For a field trip that includes the use of a vehicle a permission slip will be provided for that special event. For walking field trips, we will utilize a general permission slip for the entire year that must be submitted with your enrollment forms.

### EMERGENCIES AND EVACUATION PROCEDURES:

**In case of emergency, parents or their designees will be notified as soon as possible. Our first priority is to redirect or relocate for the safety of the children and staff.**

Scratches and scrapes are inevitable when children play. These minor injuries will be treated with clean water and a bandage. In the case of an accidental injury of a more serious nature, we will make an immediate attempt to contact a parent/guardian, unless doing so endangers the child's life. In that case, necessary steps will be taken by putting the child's safety first (including calling the ambulance, a family doctor, or poison control). If for any reason we are unable to contact a parent/guardian, we will call the emergency contact number given at the time of enrollment. It is very important and the responsibility of the parent/guardian to ensure that all the information we have on file is current and correct at all times.

First aid kits are available in all the classrooms. Fire extinguishers are located throughout the building.

In the case of a fire at Wolf Pup Learning Center, we will evacuate the building immediately and gather across the street to the west at City of Watford City, City Hall. In the case of a fire at Wolf Pup Learning Center Fox Hills, we will evacuate the building immediately and gather across the street to the north at Wolf Pup Daycare Fox Hills. Fire drills are held on a monthly basis. We also participate in Fire Safety week each year so that our students become more comfortable with fire trucks and fire fighters.

In the event that we are required to leave the Wolf Pup Learning Center due to a natural disaster, we will go across the street to City Hall. In the event that we are required to leave Wolf Pup Learning Center Fox Hills due to a natural disaster, we will go to Fox Hills Elementary School.

In the case of a tornado, each classroom will go into the hallway. We will practice for a tornado drill annually.

All our staff members are required to be certified in CPR and First Aid.

Incident reports will be filled out and NDDHHS will be notified of any emergencies involving serious injury, serious illness, or death.

In case of evacuation from Wolf Pup Learning Center, we will relocate to:

1. City of Watford City, City Hall (701-444-2533)
2. Rough Rider Center (701-842-3665)

## NUTRITION POLICY FOR ALL CHILDREN

Recommendations for the American Academy of Pediatrics, the USDA School Food Programs, and general nutrition guidelines will be followed in planning meals and snacks.

Children are encouraged to eat, but we do not use coercion or force feeding.

AM Snack is served at 10:00 am.

PM Snack is served at 1:30 pm.

The teacher will have them wash their hands before snacks.

The tables and chairs are washed and sanitized after every use. The tables are washed before children sit down to eat a meal or a snack.

Please advise us immediately of any food allergies that your child may have. We are happy to accommodate them as much as possible, with a doctor's note.

In the event that there is a child with a life-threatening allergy, we will do our best to eliminate this food item. We will also ask that any outside snacks or treats provided accommodate this allergy. Your child's teacher will update you on any allergies that your child's friends may have.

## OUTDOOR PLAY

Part of our philosophy is that **outdoor time is very important**. We believe, based on our own experiences and the research of others that the benefits of outdoor time go beyond the benefits of gross motor activities. Not only do children need time each day to participate in outdoor activities in order to "burn off" energy and to develop fit habits, they also need outdoor time to provide emotional, cognitive, and social benefits. The outdoors allow children to recharge and de-stress, and has also been found to increase creativity and improve social interactions, among other things.

National Standards for Child Care recommend that children are taken outside when temperatures are above 15°F (wind chill or temperature) and below 90°F (heat index). It is extremely important for children to have outdoor play time on a daily basis. If parents request their child not to go outside, it is mandatory for parents to obtain a written order from their child's health care provider. If you feel your child is too sick to go outdoors, then they are probably too sick to be at Wolf Pup Learning Center. **Wolf Pup Learning Centers reserves the right to override any health care provider's order if necessary. Since we will go outside throughout the year in all conditions, please make sure that children have appropriate gear to do so.**

## PARKING

At Wolf Pup Learning Center, please park in the parking lot adjacent to the building. If there are not spots available, it is acceptable to utilize the on-street parking on 2<sup>nd</sup> St NE. Please utilize the classroom door for entry into the building. At Wolf Pup Learning Center Fox Hills, please park in the parking lot adjacent to the building. It is a one-way entry, one way exit from Cottontail Rd.

## MEDIA POLICY

Wolf Pup Learning Centers has security cameras equipped in all rooms and common areas. Footage is viewed frequently by the Director and management team.

Wolf Pup Learning Centers staff will occasionally take pictures of your child. We utilize these photos for our classrooms, and our year end slideshow.

We will not place names or photos of our children on our website, Facebook page, newspaper articles, TV or radio advertisement, or any other venue that will be seen outside of the center without your permission. Parents are also expected to follow the same guidelines to support the rights and privacy of other parents and individuals.

In addition, outside media such as the local newspaper may visit and take your child's picture. By signing the permission slip you allow the local media to take your child's picture and include it in the newspaper.

Finally, it is expected that parents/guardians may take pictures of their children during special events. However, at no time will it be acceptable for either employees or parents/guardians to place these pictures on Facebook or other social networking sites if they include children other than their own.

## TRANSPORTATION

Wolf Pup Learning Centers will provide transportation to and from various locations throughout Watford City, ND and its immediate surrounding area via bus, van, or other means of transportation whether by third-party transportation providers or otherwise. In some cases we will walk to our destination. A release of liability will need to be signed before your child is able to get transported.

## PROGRAM

### CURRICULUM

The curriculum is based on our knowledge that children learn best through the firsthand sensory experiences of feeling, listening, smelling, tasting, and observing. Children need to handle, manipulate, experiment, and explore, but they also need and expect certain guidelines, rules, and routine in order to feel safe and secure. It is our goal and duty as educators to provide a safe environment filled with materials and experiences that each child needs for optimal learning. The activities in each classroom are carefully planned to:

- Facilitate intellectual growth and the development of problem-solving skills through manipulative games, puzzles, and other learning tasks that help the child classify, label, and distinguish cause and effect.
- Foster the child's imagination and appreciation through dramatic play, puppetry, art, music, and movement. The emphasis is always on creativity, not imitation.
- Instill a love of literature and communication skills by providing a relaxed, supportive atmosphere that encourages verbal expression through on site story times and off site library visits.
- Encourage physical coordination and the development of motor skills through equipment outdoors and indoors.
- Teach a basic knowledge of good nutrition through opportunities to grow, harvest, prepare, and eat nutritious, appetizing food.

We believe that all children should be in an environment that is safe, nurturing, age appropriate, and full of endless opportunities. We also believe that all children learn by social, emotional, physical, and intellectual activities through both independent and group play. We understand that every child has different needs and different ways for those needs to be met.

We value time spent outdoors, and serve healthy snacks and meals. We also believe that a good education happens best when children are happy and healthy.

Our preschool-like curriculum is called Easy Breezy Preschool which uses Frog Street Press Publication. Some of the items covered are reading skills, colors, shapes, spelling, handwriting, art, math, science, social skills, and classroom etiquette. Our goals are to meet the standard of the kindergarten assessment given by McKenzie County School District #1.

## GUIDANCE AND SOCIALIZATION (DISCIPLINE) POLICY

### POSITIVE GUIDANCE

At Wolf Pup Learning Centers, we believe that behavior guidance issues seldom arise when the children are actively involved with other children, staff, and the activities they are presented throughout the day. Daily activities are designed to be developmentally appropriate for the individual age groups of the children that attend the center. Harsh or threatening methods of discipline will not be permitted at Wolf Pup Learning Centers.

Preferred behavior guidance techniques include setting clear, enforceable limits, modeling acceptable behavior, structuring the environment to maximize good behavior, planning enough activities, giving choices, teaching the use of acceptable alternatives, anticipation of possible problems, redirection, and use of direct and logical consequences. Children may be separated from the group temporarily, if less intrusive methods of behavior guidance have been ineffective and the child's behavior threatens the well-being of other children or staff.

### BEHAVIOR MANAGEMENT

Discipline at Wolf Pup Learning Centers is structured to help the child understand and accept limits by making directions explicit, stating reasonable rules clearly and firmly, and adhering to them from the beginning. **Our first method for avoiding discipline problems is to keep the children interested and engaged.**

A child feels more secure when caregivers keep him/her within acceptable limits. Redirection, problem solving, and role modeling techniques are used to help a child learn self-control and conflict resolution. You are welcome to inquire about your child's behavior at any time and we encourage this discussion with your child's teacher. Appropriate behavior will be acknowledged and appreciated. Inappropriate behavior will be quietly addressed as soon as it is observed.

A seven step behavior process will be utilized at Wolf Pup Learning Centers. All staff is expected to follow this process:

1. Redirect
2. Warn
3. Time In (based on child's age, 1 min/year)
4. Time apart
5. Removal from group
6. Safety Plan/Action plan
7. Possible Withdrawal

Behavior Reports are used to communicate behavioral concerns with the office and with parents. These forms will be signed by staff, the Director and parents and then be sent home with the parent and a copy will be given to the Director to be filed in the students file.

1. The first step will include a reminder of proper school behavior (ex. "Our feet belong on the floor at school that way we don't fall and get hurt.")
2. If further attention is needed, a redirection of activities will be suggested (ex. "We need to find something else to do, how about reading a book or working with the blue blocks? Which option do you choose?")
3. If these attempts to change inappropriate behavior fail, we will give the child time apart to help defuse the situation and give the children a chance to redirect themselves. Each classroom has a "quiet area" where a child can sit alone and work with some sort of manipulative. This quiet area is not a place where children go when they are "in trouble", rather it is an area that the children can chose to work in at any time. The teacher will suggest this area if (s)he feels that the child would benefit from the quiet area. As a coping skill, children are encouraged to recognize feelings within themselves that signal the need for quiet time. We also use **time in**, where the child and teacher sit together and work on something or visit.
4. In the extreme case, if the behavior continues and is disrupting the learning environment, the child will be removed from the group and visit with the Director in the office. The Director will then begin a formal request to meet with parents within a week to discuss a Safety Plan/Action plan.
5. Parents/Guardians will be contacted for a conference with management when a child appears to be usually stressed, anxious, or otherwise motivated to engage in negative behavior. At this point, the management may ask for the parents to sign a Standard Safety Plan. (A standard safety plan is a contract made between management and parents so that if a child becomes a danger to other children, themselves, or staff or refuses to cooperate with staff to a point where every option has been exhausted, the parents/guardians are called and expected to make arrangements to pick their child up within ½ hour.) Additional resources and professionals will be sought to help the child, family, and staff manage persisting negative behaviors. An Action Plan will be created for the child to help them with their needs. This includes possible steps for suspensions and/or expulsion from school. (An Action Plan consists of steps that the staff/management, parents, and specialists create to help the child reach certain goals. Parents, staff, and children must work together to meet these goals.)

6. Wolf Pup Learning Centers reserves the right to withdraw a student if the learning environment is compromised, or the safety of other students and/or teachers are at risk.

If unruly behavior continues, parents/guardians will be informed so that we can work together to find the best way to improve the child's behavior. A parent/guardian meeting will be set up with your child's teacher and the teacher's supervisor and/or the Director. Additional resources can be called in for assistance including Wilmac Special Education Unit. If none of the above steps results in improvement, Wolf Pup Learning Center reserves the right to terminated preschool-like services.

According to state law, a child may not be:

- Subjected to physical harm, fear, or humiliation
- Isolated in a locked room or closet
- Punished for lapses in toilet training
- Force fed or coerced to eat, unless medically prescribed and administered under a medical provider's care

And a staff member may not:

- Use verbal abuse or make derogatory remarks about a child, or a child's family, race, or religion when addressing the child or in the presence of a child
- Use profane, threatening, unduly loud, or abusive language in the presence of a child
- Use deprivation of meals or snacks as a form of discipline or punishment
- Kick, slap, punch, spank, shake, pinch, bite, roughly handle, strike, mechanically restrain, or physically maltreat a child
- Force a child to ingest substances that would cause pain or discomfort, for example, placing soap in a child's mouth to deter the child from biting other children
- Withhold active play from a child as a form of discipline or punishment, beyond a brief period of separation

## PARENTS IN THE PROGRAM

There is a parent information board in the front reception area with information on it. Wolf Pup Learning Centers likes to keep our parents updated with information.

If you have any concerns about your child within the classroom, please talk with your child's teacher first. If you and your child's teacher are unable to resolve the concern, the next step would be to talk to the Wolf Pup Learning Centers Director. If the issue has not been resolved to your satisfaction, please bring your concerns to our Operator, Tessa Moberg.

If you suspect that we are in violation of our daycare license or feel your complaints are not being heard, please call Mariah Rademacher, Licensing Specialist at 701-630-0308.

## COMMUNICATION

Your child's teacher will have important information for you and may provide updates or newsletters in your child's folder. The teacher is the first and most appropriate way for you to learn about your child's day when you arrive for pick-up. The folder will need to go back and forth between school and home each day. This is our way of tracking each child's behavior and keeping parents updated on what is going on with our preschool-like services.

Our biggest way of communicating needs is through email, Facebook updates, Procare Parent Engagement App and Remind. Please make sure to keep an updated email address in the office. We also have a website at [www.wolfpupdaycare.com](http://www.wolfpupdaycare.com) and a Facebook page (<https://www.facebook.com/WolfRunVillageInc/>).

\*As noted before: Photos of children will NOT be posted on our website or Facebook page unless we have written permission from their parents/guardians.

## PARENT/GUARDIAN PARTNERSHIPS

We recognize that parenting is one of the most difficult and intense activities any adult can undertake. We want you as parents/guardians to share your thoughts, hopes, and dreams for your children. We know that you want what is best for your child and that your job is to advocate for and protect your child. We would like to build a partnership with you. You are the expert regarding your child, and we would like to work with you to ensure that your child is getting the best care possible.

Our center maintains an "Open Door" policy for parents who wish to visit or telephone their child at any time during the day.

We, as staff, will strive to do our best to provide quality care every day. But we are not perfect. If you have any concerns, we encourage you to voice them to us immediately. You can speak with the teacher or the Director at any time. We need your input and suggestions so that we can continually improve our services.

You are always welcome to participate in your child's classroom when you are available, and many teachers may ask for this help from time to time. Even if the teacher does not ask, please let them know if you have a special talent to share, a craft or activity to teach, or if you simply would like to share a story with your child and his/her classmates.

## PARENT INVOLMENT:

### RIGHTS:

- Parents have the right to come and visit or pick up their child at any time. They are encouraged to visit and become involved.
- Parents have the right to written and oral communication about their child's progress.
- Parents have the right to schedule additional parent teacher conferences.
- Parents have the right to have their child educated in a safe, healthy, caring, and enriching environment.
- Parents have the right to be notified immediately of any emergencies involving their child and/or their child's teachers.
- Parents have the right to ask questions to the teacher about their child's progress.

### RESPONSIBILITIES:

- Parents have the responsibility to be involved in their child's education. This can include volunteering in the classroom, attending parent teacher conferences, and communicating with their child about what they are doing at Wolf Pup Learning Center.
- Parents have the responsibility to communicate with the teacher about any issues or concerns they might have.
- Parents have the responsibility not to disrupt the classroom when they come to visit and/or pick up their children early.
- Parents have the responsibility to bring their child's backpack and folder to and from Wolf Pup Learning Center each day, as well as checking your child's folder on a daily basis.
- Parents have the responsibility to let the teacher know as far in advance as possible about any vacations, moves, etc., that might affect a child's attendance, enrollment, or performance in class.

## HEALTH & SAFETY

### INCIDENT REPORTS

Incident reports will be filled out on all minor and major injuries. Parents will need to sign and date each incident report and may request a copy. If there is a serious injury, illness, or death, NDDHHS will be notified.

### CHILDREN WITH SPECIAL NEEDS

When a child with health, developmental or behavioral concerns is enrolled, the teacher and Director will meet with the child's parents to discuss the specific concerns and possible needs to prepare for their time at our school. All children with diagnosed special health needs are required by licensing to have a current care plan signed by a parent/guardian, health care provider, and updated at least yearly. Emergency medication and/or equipment specified in the care plan is recommended to be available at the program at all times and when the child is taken off site during childcare hours.

## EMERGENCY

In the case of an accidental injury of a more serious nature, we will make an immediate attempt to contact a parent/guardian, unless doing so endangers the child's life. In that case, necessary steps will be taken by putting the child's safety first (including calling the ambulance, a family doctor, or poison control.) If for some reason we are unable to contact a parent/guardian, we will call the emergency contact number given at the time of enrollment. It is very important and the responsibility of the parent/guardian to ensure that all the information we have on file is current and correct at all times.

## ILLNESS

If a child is ill, please keep them at home in order to prevent the spread of disease. Common colds with clear runny noses do NOT require exclusion from school unless the child is too ill to participate fully (including outdoor activities). However, light green runny noses and constant coughing will require that the child be excluded from the center until they are better. Our goal is to maintain a happy, healthy, environment for all of the children and staff.

- If your child feels too ill to participate fully and would potentially require more one on one time from the staff, due to illness, please keep your child home.
- If a child becomes sick at Wolf Pup Learning Center, the parent/guardian will be notified so that they can pick the child up from the center within 1 hour. If parent cannot be reached, we will call the emergency contacts listed on the child's registration form.

Certain symptoms in children may suggest the presence of a communicable disease. Children who have the following symptoms will be excluded from our center until:

A physician has certified the symptoms are not associated with an infectious agent or they are no longer a threat to the health of other children at our school OR the symptoms have subsided for 24 hours without the aid of symptom masking drugs; i.e. ibuprofen, acetaminophen, etc.

- Vomiting: Child may return 24 hours after last incidence of vomiting.
- Diarrhea: two or more episodes of diarrhea, increasing, coming out of the diaper, causing dehydration, or contains blood or mucus. Child may return 24 hours after last incident.
- Influenza: until fever free for 24 hours without taking fever reducing medication.
- Pink eye or conjunctivitis: with green or yellow discharge or matter until 24 hours have passed since first treated.
- Hand, foot, and mouth disease: until the lesions crust over
- Scabies: until treatment has been completed.
- Lice/Nits, until there are no nits present and the lice have been treated.
- Strep Throat: until 24 hours after prescription treatment.
- Fever of 101.0 degrees or greater: Child must remain home until 24 hours fever free without fever reducing medicine.
- Chickenpox: until the 6<sup>th</sup> day of rash or sooner if all lesions are crusted and dried.
- Impetigo: until 24 hours after prescription treatment, as long as lesions are covered.
- Pertussis (Whooping cough): until 5 days of antibiotic treatment.
- Mumps: until 5 days after the onset of parotid gland swelling.
- Active Tuberculosis: until a health care provider gives written permission stating that the child is on appropriate therapy and can attend childcare.

- Hepatitis A virus: until 1 week after onset of illness, jaundice, or as directed by the health department when immune globulin has been given to appropriate children and staff members.
- Measles: until 4 days after onset of rash.
- Rubella: until 7 days after onset of rash.
- Methicillin-resistant Staphylococcus aureus (MRSA): if lesions cannot be covered, if a child is running a fever, or if the child cannot participate in activities.
- Rash with fever or rash with behavior changes.
- Ringworm: child may return once rash has improved with treatment or if clothing covers the rash.
- Any child who feels too ill to participate.
- Any child who can't stop crying or is excessively irritable.
- Any child who has difficulty breathing, is wheezing, or is coughing excessively.
- Any child with a bad stomach ache.
- Any sick child, who cannot be adequately cared for in the group setting, will be sent home.

Please use good judgement when making the decision to bring your child to Wolf Pup Learning Center. If your child is sick and lethargic, not only is it difficult for them to be away from you (their main source of comfort) but bringing them to daycare continues the spread of illness in other children. We appreciate your cooperation in this matter. **Wolf Pup Learning Center will override any health care provider's order to return if necessary.**

### HANDWASHING POLICY

Staff members and children shall wash their hands, according to recommendations by the federal centers for disease control and prevention, before preparing or serving meals, after diapering, after using toilet facilities, and after any other procedure that may involve contact with bodily fluids, such as coughing, sneezing, or blowing/wiping your nose.

### HEALTH POLICIES

Parents/Guardians will be notified of communicable diseases that are present or have been present in their child's classroom. We will hang a note on the classroom door or on the secured doors entering the hallway to the classrooms. We may also email the information out as well.

As a center, we are required to notify the North Dakota Department of Health of certain infectious diseases.

### IMMUNIZATION POLICY

All children must have verification that they have received all immunizations appropriate for the child's age, as prescribed by the state department of health, or have on file a document stating that the child is medically exempt from immunizations based on religious, philosophical, or moral beliefs. Children are required to be up to date with their immunizations and parents are expected to provide their child's immunization record.

It is recommended that unimmunized children be excluded from daycare if a vaccine-preventable disease occurs at the program for the duration of the possible exposure.

### MEDICATIONS, LOTIONS, AND SPRAYS

**Written permission from the parent is required before medication can be dispensed to a child.** Prescription medication or over the counter medications may be administered by the Wolf Pup Learning Center Director or supervisors, only if a medication form is filled out by the parent/guardian. All medication will be kept at the Director's desk. Medication must be in its original labeled container. If you would like your child to have

medication, you need to complete a medication form daily. Over the counter medications will only be given a maximum of 3 days. If you would like your child to be given an over the counter medication for longer than 3 days, a written order from your family doctor will be required. Morning doses of medications should be given at home prior to arrival at Wolf Pup Learning Centers.

Written permission is also required before we can use sunscreen or bug spray on your child. You are responsible for providing your child's own sunscreen or bug spray. Please label it with your child's name and give it to his/her teacher to be kept out of reach of the children. If you do not want sunscreen or insect repellent applied to your child, we have a parent request form that needs to be filled out.

## PETS

Only approved contained pets will be accessible to children. All pets must be properly immunized, and the kitchen/eating area is free of pets.

## PERSONAL BELONGINGS

Please label personal belongings with your child's name. If possible, please send a pair of slippers to wear at school. (These are great to have in case of fire drill and/or emergencies.) All children need a backpack large enough to fit a folder.

Please dress your child in comfortable, weather appropriate, washable clothing that will enable them to participate freely in the activities each day. Please do not bring them in their pajamas, they must be dressed and ready for the day before coming. Pajamas are only permitted on special days.

Some activities are messy, and we will protect clothing as much as possible, but please take this into consideration when dressing your child for their busy day.

Please mark all outerwear with your child's first and last name and check the lost and found box regularly for misplaced clothing articles.

Shoes need to be appropriate for walking in as we walk to all the parks in town.

We ask that the following is provided for each child on their first day and resupplied as necessary:

- An extra set of clothing that is appropriate for the current season and size, kept in their backpack.
- For potty trained children and older: extra clothes, water bottle, and sunscreen and bug spray if applicable.

Please do not allow children to bring toys, extra blankets, or other items from home. A Show and Tell day is the only exception to this.

## TOILET TRAINING

All children must be potty trained and in underwear before attending Wolf Pup Learning Center. We do not have diaper changing tables at our facilities. Please make sure to pack an extra set of clothes in your child's backpack to leave in there in case of an accident.

## AQUATICS POLICY

There will be no swimming or wading pools, sprinklers, field trips to pools, etc. The only water play your child will participate in is water table activities.
